

SUMMMER LEAGUE 2005

A summer pistol league (. 22cal.) will start June 8th. Most of the matches will be held at the old club house with an occasional event held at the Bulls eye range weather permitting and with sufficient daylight. The league is open to any qualified members of the Pelham club as well as members of the Merrimac Valley Pistol League. It's a great opportunity for anyone who is just starting out in pistol league shooting, and for those who want to keep sharp and involved prior to the winter league schedule.

Scores will be recorded weekly and cash awards will be awarded based on a NRA handicap system.
